

# PLATFORM FOR ACT-A CIVIL SOCIETY AND COMMUNITY REPRESENTATIVES

**Second Global COVID-19 Summit co-hosted by United States as first COVID Summit Chair, Belize, as CARICOM Chair; Germany, holding the G7 Presidency; Indonesia, holding the G20 Presidency; and Senegal as African Union Chair on 12 May 2022**

## **Platform for ACT-A Civil Society and Community Representatives - Commitments (Summary)**

The Platform for ACT-A CSO and Community Representatives will support:

*Vaccinate the World* by advocating for support of the TRIPS waiver, sharing vaccine equipment and doses with COVAX and countries including brokering procurement solutions (beyond donations only)

*Save Lives Now* by advocating for, and coordinating community & CSO input on a test and treat strategy including the scale-up of broad community-based, facility, and self-testing with no-cost access to tests and recommended therapeutics

*Build Better Health Security* by mobilising support to fully fund ACT-A, advocating for robust health system perspectives, and supporting greater community representation in ACT-A including an increased investment into community health systems in any future mechanisms.
